

EC/DD/S&T  
A/DD/SET

I have rescheduled [REDACTED] for the next Staff Meeting on 16 February at 1500. I am sure that Bryce understands when other commitments cause a rescheduling for his briefing of the DD/S&T Staff. He still plans to describe the [REDACTED] intelligence community and its relationship within the government structure. I also have a short movie on [REDACTED] which we can show prior to [REDACTED] talk.
